

LAVA® DYL 2.0 DESIGN YOUR LAVA®

Create your individual designed infrared heating panel

LAVA® DYL 2.0 offers the possibility to customize your LAVA® GLASS 2.0 or LAVA® BATH 2.0 GLAS infrared heating panel. We print your desired pattern - whether a vacation photo or a company logo, so that the infrared heating panel perfectly fits into your environment. The LAVA®DYL is suitable for wall mounting and can be installed vertically or horizontally, depending on the version. All LAVA® DYL are delivered with a plug-in cable and an ON/OFF switch as standard and are plug & play ready.
